EXPERIENCE

Mille Nonne, New York, NY

Freelance Designer + Frontend Developer, Oct 2018 - Apr 2019

Enhanced and digitized the logo, created brand assets and packaging mockups, and built an e-commerce website on Shopify.

Dig Inn, New York, NY

Software Developer, Oct 2017 - Mar 2018

Improved the online ordering experience for customers, built internal order management features, and optimized DB queries in Python/Flask/Jinja2 and MySQL.

Fund That Flip, Inc., New York, NY

Software Developer, Apr 2016 - Oct 2017

Implemented the Webpack build process in a Rails 4.0 app, developed first and various admin-facing React/Redux SPAs in ES6, built RESTful JSON APIs with JWT authorization, and optimized DB queries and API calls that reduced load time by +50%.

MADEO, New York, NY

Digital Designer, Mar 2015 - Aug 2015

Designed visual brand guides, UI, and UX of web-based projects for various clients with Adobe Creative Suite, HTML and CSS.

Rocketdog NYC, New York, NY

Junior Designer, Aug 2013 - Nov 2014

Led various web projects by designing the UI and UX, preparing assets for development, writing front-end code, and managing content through a CMS.

Atlantic Records, New York, NY

Digital Media Intern, June 2013 - Aug 2013

Created a range of digital media assets including static and GIF web banners, social media skins, splash pages, websites, logos, and illustrations.
